

ONL STN Scholarships Awarded

Ostomy NSW Ltd (ONL), Vice President, Warren Nalty, had great pleasure in awarding the 2010 Stoma Therapy Nurse Scholarships at an AASTN meeting at Royal Prince Alfred Hospital on Friday 3rd December 2010. There were some excellent applications and this year the two scholarships were divided between six deserving candidates.

ONL initiated a \$5,000 Scholarship in 2009, and this year that amount has been doubled with the kind support of Sydney Markets providing a second scholarship. Scholarship applications are judged by the Australian Association of Stoma Therapy Nurses.

The recipients of the 2010 **ONL/AASTN \$5,000 Scholarship** and **The Sydney Markets/ONL \$5,000 Scholarship** are (from left to right):

- Sarah O'Shannassy
- Colleen Mendes
- Alison Carson
- Elise Tucker
- Daniella Marjanovic
- Lara Riley (not pictured)

The majority of nurses wishing to undertake training as a Stomal Therapy nurse have to pay their own way. The Scholarships are awarded to help nurses who must pay for their studies, travel and other expenses and thereby give back to STNs, all of whom help ONL members and ostomates in such a vital manner.

Any nurse in New South Wales undertaking stoma therapy studies may apply for the annual scholarships through ONL. Contact ONL or AASTN for an application form.
